

PRESS RELEASE

HealthNET: Primary Healthcare Network

The **2nd Workshop of “HealthNET” Project** will be held on **Thursday, June 17, 2021 at 11:00**, at the premises of the Municipality of Irakleia (Plateia Mpakogianni 2, 62400). The Workshop is organized by the Municipality of Irakleia (Lead Beneficiary) within the framework of the project *“Primary Healthcare Network”* with the acronym *“HealthNET”*, which is co-financed by the European Union and the national funds of the participating countries within the framework of the INTERREG IPA CBC Programme “Greece – Republic of North Macedonia 2014-2020”.

The Workshop is addressed to the Municipality’s staff that will be involved with the Project during the pilot operation and the main thematic consist of an overview and presentation of the Project, the definition of indicators, regions and coordination of the pilot operation and getting familiar with the ICT Platform.

The Project aims to improve access to primary health care in the rural cross border areas where population has difficult access to healthcare units. The Mobile Unit is almost ready to start the pilot operation that will last for at least six (6) months.

The Municipality of Irakleia participates in the project *“Primary Healthcare Network”* with the acronym *“HealthNET”*, which is being implemented within the framework of the INTERREG IPA CBC Programme “Greece – Republic of North Macedonia 2014-2020”.
